What if all the crushes you ever had found out how you felt about themâ€¦ all at once?

Sixteen-year-old Lara Jean Song keeps her love letters in a hatbox her mother gave her. They arenâ€™t love letters that anyone else wrote for her; these are ones sheâ€™s written. One for every boy sheâ€™s ever lovedâ€”five in all. When she writes, she pours out her heart and soul and says all the things she would never say in real life, because her letters are for her eyes only. Until the day her secret letters are mailed, and suddenly, Lara Jeanâ€™s love life goes from imaginary to out of control.
