Hopeless romantic, Lady Emmaline Fitzhugh, is tired of sitting with the wallflowers, waiting for her betrothed to come to his senses and marry her. When Emmaline reads one too many reports of his scandalous liaisons in the gossip rags, she takes matters into her own hands.

War-torn veteran, Lord Drake devotes himself to forgetting his days on the Peninsula through an endless round of meaningless associations. He no longer wants to feel anything, but Lady Emmaline is making it hard to maintain a state of numbness. With her zest for life, she awakens his passion and desire for love.

The one woman Drake has spent the better part of his life avoiding is now the only woman he needs, but he is no longer a man worthy of his Emmaline. It is up to her to show him the healing power of love.
