She needs adventure.

He needs taming.

Things are about to get wild...

When River Kane's fianc  abandons her at the altar for being too conventional, she's heartbroken. But everything changes when her estranged archaeologist father sends her his journalâ€”filled with cryptic maps and a note indicating he's in mortal danger. Worried, River faces her greatest fears and flies to the Amazon to find him. But she needs a guide. Someone completely unlike danger-seeking Spenser McGraw.

A charismatic treasure hunter who thrives on risk, Spenser hosts the popular TV show Into the Wild, dedicated to locating lost treasures and mythical icons. But River's father's life depends on discretion, and too-sexy Spenser is all about publicity. Forced to team up, they embark on a jungle adventure ripe with temptation and danger...ultimately discovering a hidden treasure that could alter historyâ€”and a steamy love neither expected.
